## **BUSINESS & RESIDENT FILE – Data Processing CLIN 1201L**

*infoUSA* offers data processing services for clients wanting to update, standardize, and add business or resident information into their databases from our business and resident databases. Data processing services use *infoUSA*'s business database (14 million U.S. and Canadian businesses) or *infoUSA*'s resident database (225 million U.S. and Canadian residents) to process information into another existing file. Information may include addresses, telephone numbers, SIC/NAICS Codes, employee size, latitude and longitude geocodes, corporate linkage, age and income information.

Data Processing .....\$1.25 each record
